Dr. Martí Manyalich
Project Director ODISSeA
University of Barcelona

Dear Dr. Manyalich,

PROFESSIONAL CERTIFICATE IN ORGAN DONATION AND TRANSPLANT MEDICINE

I am writing this as the Dean of Faculty of Medicine, Universiti Malaya (UM) and the project director of the Organ Donation Innovative Strategies for Southeast Asia (ODISSeA) regarding the academic program on organ donation. This letter confirms that the Professional Certificate in Organ Donation and Transplant Medicine was reviewed and approved during the University Management Committee Meeting on 23rd October 2019.

The program will be offered by Faculty of Medicine to specialists in the fields of anaesthesiology, emergency medicine, neurosurgery, neurology, nephrology, urology, and general surgery as well as medical officers with experience in organ donation and transplantation.

This program provides a valuable opportunity for the healthcare professionals to learn and deepen their knowledge about organ donation and to meet and share ideas with people from different hospitals and countries. I look forward to a successful partnership program.

Please do not hesitate to contact Dr Koong Jun Kit, the project manager ODISSeA UM if you need more information.

Yours sincerely,

PROFESSOR DATO' DR. ADEEBA KAMARULZAMAN
